2016 Wedding Contract

Thank you for your interest in bridal services at ECHO Salon. We strive to provide you with excellent beauty services in a relaxed setting, located in the heart of Bar Harbor, Maine.

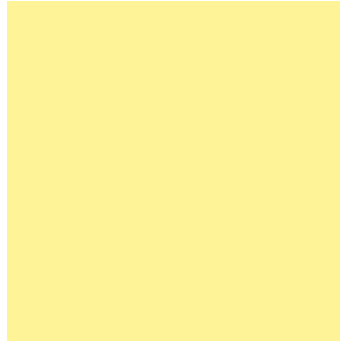

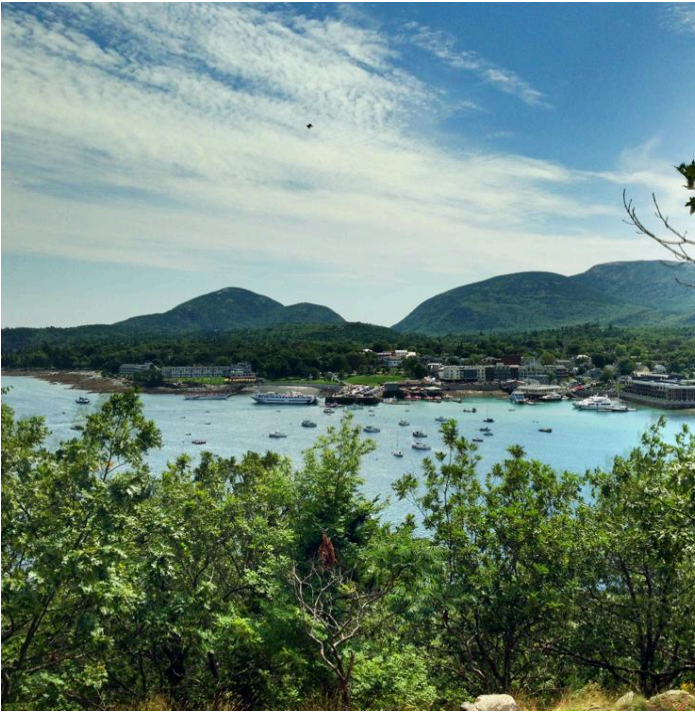

Your special day!

Thank you for considering us:

First of all, we would like to congratulate you on your engagement, and thank you for considering us to be a part of your special day.

At ECHO Salon, we take great pride in our experienced staff, and their ability to make your wedding day a special day. Our staff will make your dreams come true. We understand all the hard work and meticulous planning that goes into making your day a success. Our creative ECHO Salon team knows that the way you look and feel is directly related to your experiences prior to the event. We hope to make your experience as relaxed and stress free as possible.

We have taken care of many brides and their bridal parties, and thus know exactly how to assist you in organizing your beauty needs.

The ECHO Experience:

Ensuring every detail from consultation to finish.

At ECHO Salon, we look forward to making your wedding special. Brides have made us a part of their bachelorette parties, rehearsal evenings, and of course wedding day.

Start your bachelorette party off with a manicure and a pedicure. You select the music. You bring your own drinks (wine & beer only please). Then we provide you with a casual way to start off your night. We will even close the salon just for you, provided it is towards the end of the day.

Before your wedding day, we will consult with you to make sure your dreams come true. Your bridal trial with one of our bridal specialists will leave you confident. If you like, feel free to send us some pictures of what you would like. Our goal is to make you happy. Some brides have scheduled several trials months in

advance; others have one a few days before. We will accommodate you and what you need.

On your wedding day, we will greet you with pastries, orange juice, mimosas, and champagne. Simply sit back and relax. Our staff will make you and your bridal party members glamorous. We will make sure you are scheduled appropriately. We will have enough staff to make sure that everyone is ready on time.

That is the ECHO Salon wedding experience.
